Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for **Stormwater Improvements Design** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Lake Helen**, located at 327 South Lakeview Drive, Lake Helen, Florida, 32744. The funding would be used for improving stormwater facilities, flood protection, and water quality. The project is an appropriate use of taxpayer funds because it helps to restore and protect the Florida's waters, ensuring they meet quality standards for safe recreational use while preserving aquatic ecosystems.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Honorably,

A handwritten signature in blue ink that reads "Cory Mills".
