Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Seminole County Sheriff's Vehicular Mobile Radio Upgrade, Phase 2** in fiscal year 2027. The entity to receive funding for this project is the **Seminole County Government**, located at 1101 East 1st Street, Sanford, Florida 32771.

The funding would be used to replace or upgrade 255 vehicular mobile radios utilized by the Seminole County Sheriff's Office. These radios are essential for the Sheriff's Office to provide critical law enforcement services throughout the County, as well as for coordinating with both local and regional fire rescue, emergency management, and emergency medical services. The project is an appropriate use of taxpayer funds as reliable communications are critical for local law enforcement to communicate with state, federal, and interagency partners.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Cory Mills".
