Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for **Edgewater Wetlands Reclaimed Water Project** in Fiscal Year 2027. The entity to receive is funding for this project is the **City of Edgewater**, located at 104 North Riverside Edgewater, Florida, 32132. The funding would be used for improving water quality in the region by reducing the reliance on the Indian River Lagoon. The project is an appropriate use of taxpayer funds because it will enhance water quality and improve community health standards.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Honorably,

A handwritten signature in blue ink that reads "Cory Mills".
