The Honorable Rosa DeLauro

U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for **English Estates Water Main Replacement** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Casselberry**, located at 95 Triplet Lake Drive, Casselberry, Florida, 32707. The funding would be used to modernize the aging infrastructure. This will ensure safe drinking water, enhance fire protection, and increase availability of the water supply. The project is an appropriate use of taxpayer funds because reliable water systems are essential to prevent contamination, whether it's from natural disasters, infrastructure failures, or deliberate attacks such as bioterrorism or cyber intrusions.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

**I certify that I have no financial interest in this project, and neither does anyone in my immediate family.**

Honorably,
